**Physical Form:**

Powder

**Reproduction Type:**

Black and white

**Unit Package Yield:**

1.0 liters

**Material Processing Method:**

Manual

**Unit Package Content Form:**

Single unit for mixing

**Material Type For Which Designed:**

Film

**Special Features:**

Package to yield 1 liter working solution; required orderquantity type 12; required multiple orderquantity type 12

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A24700
