Current Type:

Ac/dc

Accessory Components And Quantity:

Accessories and oper spares 1 ea: ac line cord, flash adapter cup

Voltage Rating:

115.0 volts and 6.0 volts

Special Features:

Camera attachment type; oper pwr rqmt 60 hz 1 phase, w/ battery source 6v; w/ built-in battery charger; al reflector bright crinkle fin 5 in. Diameter parabolic shape; 1 flash tube 25000 flashes approx life 6300 degrees kelvin color temp, flash tube supplied; 1/500 sec effective flash speed; w/ carry case

Reference Number Differentiating Characteristics:

As mod by for dry nickel-cadmium battery oper

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T150-f
