Light Beam Motion:

Fixed

End Application:

Sony camera dcr-trv9e

Voltage Rating In Volts:

13.0 dc

Mounting Method:

Support rod

Special Features:

Complete system with lite head, 12 in. Mounting arm, battery pack, 5 hr. Charger, and cable with in-line switch; 100 watt primary light with european light; 100 deg. Primary beam angle; 3400 degrees k color temperature; 25 min. Burn time; 300 ft. Depth rating; for underwater use

Shape:

Irregular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A06300
