Overall Length:

4.900 inches

Overall Height:

1.600 inches

Overall Width:

4.300 inches

Filter Color:

Red and white and yellow

Illumination Directing Device Type:

Straight light conductor

Light Function:

Position

Voltage Rating In Volts:

Between 12.0 dc and 18.0 dc

Product Name:

Multi-k light, camera shoe mount, ac adapter, and soft case

Special Features:

Color temperature: 2800k-6500k; brightness: 3ft/380lux/3200k; lux equivalent to 50w tungsten; uses 6 x aa batteries; weight: 0.8 pounds; 144 led bulbs in red, white and yellow; 3 step dimming

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A06300
