Outside Surface Treatment:

Primer

Overall Length:

41.000 inches

Overall Diameter:

16.000 inches

Mounting Position:

Horizontal

Pressure Rating:

200.0 pounds per square inch

Drain Type:

Bottom

End Shape And Location:

Internal filling fused

Capacity:

30.000 gallons

Mounting Base:

Included

Fsc Application Data:

Equip. Instl, maintenance shelterws-430

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T103-h
