Physical Form:

Crystal

Quantity Within Each Unit Package:

5.000 pounds

Sieve Particle Size Gradation Percentage:

0.0 retained 2 millimeter and 95.0 retained 149 microns

Composition And Percentage:

99.5 by weight sodium chloride

Specification Or Standard:

li type

Departure From Cited Designator:

As modified by quantity type 5 pounds within each unit package

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A10800
