Physical Form:

Crystal

Quantity Within Each Unit Package:

16.000 ounces, fluid

Composition And Percentage:

by weight carbon disulfide 100.0 per cent

Special Features:

Non-mailable

Reference Number Differentiating Characteristics:

As differentiated by the quantity withineach unit package

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A10800
