#### **Physical Form:**

Granular

**Quantity Within Each Unit Package:** 

1.000 pounds

# Sieve Particle Size Gradation Percentage:

10.0 retained 3.36 millimeter and 80.0 retained 149 microns

## **Composition And Percentage:**

66.5 by weight phosphorus pentoxide

#### **Specification Or Standard:**

2 form and ii type

## Departure From Cited Designator:

As modified bypackage data

Shelf Life:

N/a

Unit Of Measure:

# Demilitarization:

No
