Technical Ammonium Hydroxide - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/6810-00-826-6121

Physical Form:
Liquid
Quantity Within Each Unit Package:
15.000 gallons
Composition And Percentage:
27.0 by weight ammonia and 30.0 by weight ammonia
Special Handling Feature:
Poisonous
Specific Gravity Value:
0.904
Specification Or Standard:
I type
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A10800
