Physical Form:

Liquid

Quantity Within Each Unit Package:

5.000 gallons

Composition And Percentage:

27.0 by weight ammonia and 30.0 by weight ammonia

Impurities Limitation In Percent:

Solids0.03

Specific Gravity Value:

0.904

Specification Or Standard:

I type

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A10800
