Analyzed Reagent Dichloromethane - Page 1 of 1

View Online at <https://aerobasegroup.com/nsn/6810-01-064-8147>

Physical Form:

Liquid

Quantity Within Each Unit Package:

4.000 kilograms

Distillation Temp:

40.0 degrees celsius initial boiling point and 41.1 degrees celsius dry

Specific Gravity Value:

1.335

Special Features:

Non-returnable safety container; four 1 gal. Containers to a case

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A10800
