Reagent Periodic Acid - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/6810-01-260-6672

Physical Form:
Granular
Quantity Within Each Unit Package:
25.000 grams
Product Name:
Periodic acid reagent 25 gram bottle
Special Features:
Item is corrosive, oxidizing and heat sensitive; material safeaty data sheet required from vendor
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A10800
