Unit Package Quantity:

1 vial with dropper top

Quantity Within Each Unit Package:

30.0 milliliters

Formulation Designation:

Ehrlich's reagent

Solute Designation:

Any acceptable

Solvent Designation:

Any acceptable

Product Name:

P-dimethylaminobenzaldehyde solu 1vial w/dropper top 30ml

Special Features:

For demonstrating urobilinogen

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T093-a
