Unit Package Quantity:

10 vials

Formulation Designation:

Zeus scientific

Solute Grade:

Reagent

Solvent Grade:

Reagent

Special Features:

3 ml vial; 9.0 ph; buffered glycerol mounting medium; for in vitro diagnostic use only; 10 vials per pg; (mounting medium legionella)

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T093-a
