Physical Form:

Powder

Quantity Within Each Unit Package:

500.000 grams

Product Name:

Sodium persulfate reagent pwdr 500 grams 98% 500ml poly bt

Special Features:

98%, 500 ml polyethelene bottle, crystalline powder, moisture sensitive, keep cap tightly closed, decomposes on warming

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A10800
