Analyzed Reagent Triketohydrindene Hydrate - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/6810-01-579-8696

Physical Form:
Liquid
Quantity Within Each Unit Package:
1.000 liters
Product Name:
Ninhydrin premixed liter, heptane based
Special Features:
Heptane-based formulation; for latent print development on porous items such as paper and unfinished wood; may be applied by sprayer,
brush, or by dipping specimen
Shelf Life:
N/a
Unit Of Measure:
- -
Demilitarization:
No
Fiig:
A10800
