**Product Name:**

3 (cyclohexylamino) -1-propanesulfonic acid

**Level Of Dermal Irritation Potential:**

Moderate

**Special Features:**

Powder; melting pt. 300 degrees c; not flammable

**Color:**

White

**Type/model Designation:**

1135-40-6

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No
