Unit Package Quantity:

100

Physical Form:

Powder

Unit Package Type:

Drum

Shade Designation:

21090 color index number and 77266 color index number

Pigment Color Source:

Society of dyers and colorists and society of dyers and colorists

Pigment Grade:

Any acceptable and any acceptable and any acceptable

Pigment Percentage:

17.5 and 20.0 and 19.0 and 21.0 and 59.0 and 66.0

Special Features:

Arbe2aa is 12 and arbe2ab is 7

Departure From Cited Document:

Modified by shade designation, pigment color, pigment color source, pigment grade, pigment percentage

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T092-a
