Unit Package Quantity:

8 oz

Physical Form:

Powder

Unit Package Type:

Can

Pigment Color:

Any acceptable

Material For Which Designed:

Metal

Shade Designation:

26125 color index number

Pigment Color Source:

American assn of textile chemists and colorists

Pigment Grade:

Technical

Pigment Percentage:

100.0

Special Features:

Prepared for leak detection in aircraft fuel systems

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T092-a
