Helium-isobutane - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/6830-00-936-2128

Physical Form:
Gas
Composition And Percentage:
0.95 by volume isobutane and 99.05 by volume helium
Cylinder National Stock Number:
8120-00-983-5835
Supplied Cylinder:
Nonsupply item
Reference Number Differentiating Characteristics:
As differentiated by unit package quantity, unit package type, cylinder national stock number, interstate commerce commission identifying
number, supplied cylinder
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
T09100
