| Physical Form:                          |
|---|
| Liquid                                  |
| Composition And Percentage:             |
| 99.8 by volume trichlorotrifluoroethane |
| Impurities Limitation In Percent:       |
| Moisture 0.2                            |
| Shelf Life:                             |
| N/a                                     |
| Unit Of Measure:                        |
|   |
| Demilitarization:                       |
| No                                      |
| Fiig:                                   |
