**Physical Form:**

Liquid

**Composition And Percentage:**

100.00 by weight dichlorodifluoromethane

**Special Features:**

Cools tissue instantly to -65 degrees; equipped w/variable flow control valve and pinpoint applicator; meets federal specification bb-f-1421; unit q type 24

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

T09100
