Physical Form:

Liquid

Composition And Percentage:

100.00 by weight dichlorodifluoromethane

Special Features:

Cools tissue instantly to -65 degrees; equipped w/variable flow control valve and pinpoint applicator; meets federal specification bb-f-1421; unit q type 24

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T09100
