Technical Monochlorodifluoromethane - Page 1 of 1

View Online at <https://aerobasegroup.com/nsn/6830-01-382-5105>

Physical Form:

Liquid

Supplied Amount:

50.000 pounds

Supplied Cylinder:

Supply item

Special Features:

Factory-filled; cylinders have sturdy carrying handle/stand and zytel nylon hand valve with 0.63 cm (1/4 inch) sae male connection; pressure relief device

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T09100
