Physical Form:

Gas

Compression Type:

Oil free

Composition And Percentage:

99.998 by volume nitrogen

Supplied Amount:

38.000 cubic feet

Supplied Cylinder:

Supply item

Special Features:

GASO-NL-YNS-N683

Specification Or Standard:

I type and I grade

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T09100
