Department Of Transportation Cylinder Identifying Number:

3aa2015

Physical Form:

Liquid

Composition And Percentage:

99.8 by weight sulfur hexafluoride

Supplied Amount:

40.000 pounds

Supplied Cylinder:

Supply item

Special Features:

Related nsns: gas only nsn 6830-01-509-7387; oconus only; europe service contract

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T09100
