Physical Form:

Gas

Compression Type:

Oil free

Composition And Percentage:

99.50 by volume nitrogen

Supplied Amount:

104.000 cubic feet

Cylinder National Stock Number:

8120-01-334-2902

Supplied Cylinder:

Nonsupply item

Special Features:

Oconus only centcom nsn; full cylinder nsn 6830-01-559-0110;

Specification Or Standard:

1 class and b grade and 1 type

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T09100
