# Gas Compression Type: Oil free Composition And Percentage:

**Physical Form:** 

99.50 by volume nitrogen

# Supplied Amount:

104.000 cubic feet

## Cylinder National Stock Number:

8120-01-334-2902

## Supplied Cylinder:

Nonsupply item

#### **Special Features:**

Oconus only centcom nsn; full cylinder nsn 6830-01-559-0110;

#### **Specification Or Standard:**

1 class and b grade and 1 type

Shelf Life:

#### N/a

Unit Of Measure:

---

Demilitarization:

No

## Fiig:

T09100
