Physical Form:

Gas

Protective Storage Feature:

Requires controlled room temperature storage between 15 to 30 degrees celsius

Composition And Percentage:

2.5 by weight methane

Supplied Amount:

33.0 cubic feet

Supplied Cylinder:

Supply item

Product Name:

Non-flammable gas mixture

Special Features:

Spec. Gravit (air=1)@70 def f(21.1c): 0.906; freezing/melting pt @10 psig: -345.8f (-210c) ; boiling pt -320.4f;

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T09100
