Physical Form:

Powder

Product Type:

Quarternary ammonium

Test Organism Type:

Any acceptable

Dilution By Volume For Testing:

1.256 diluted 1/2 oz per gallon

Special Features:

Box with 9 containers; each container consists of nine type 1/2 oz packets; with odor counteractant

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T090-b
