**Physical Form:**

Powder

**Product Type:**

Quarternary ammonium

**Test Organism Type:**

Any acceptable

**Dilution By Volume For Testing:**

1.256 diluted 1/2 oz per gallon

**Special Features:**

Box with 9 containers; each container consists of nine type 1/2 oz packets; with odor counteractant

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

T090-b
