Physical Form:

Liquid

Product Type:

Any acceptable

Composition Percentage By Weight:

0.55 pct ortho-phthalaldehyde solution

Test Organism Type:

Any acceptable

Test Time Limit:

12.0 minutes

Test Temp:

20.0 degrees celsius

Product Name:

Cidex opa

Special Features:

High level disinfectant, gluteraldehyde free, low level ortho-phthalaldehyde formulation; no surfactant; no activator; no mixing required; 14 day reuse life; 2 year shelf life; 4 gal bottles per case; test strips available separately

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T090-b
