Physical Form:

Liquid

Chemical Composition Percentage:

1.2-dibromo-2.2-dichloroethyl dimethylphosphate 78 percent, 2.2-dichloroethenyl dimethylphosphate 1 percent, naphthalene less than 3 percent

Special Features:

Clear amber liquid. May be aspiration hazard. Toxic to fish, birds and wildlife. 30 gl drum. Emulsifiable concentrated liquid insectide.

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T090-a
