| Unit Package Quantity:             |
|------------------------------------|
| Unable to decode                   |
| Physical Form:                     |
| Liquid                             |
| Unit Package Type:                 |
| Unable to decode                   |
| Quantity Within Each Unit Package: |
| 15.0 gallons                       |
| Minimum Flash Point:               |
| 57.0 degrees celsius               |
| Specification Or Standard:         |
| 1 ultra clean type                 |
| Shelf Life:                        |
| N/a                                |
| Unit Of Measure:                   |
|                                    |
| Demilitarization:                  |
| No                                 |
| Fiig:                              |
| T089-b                             |
|                                    |
|                                    |
