Aircraft Surface Cleaning Compound - Page 1 of 1

View Online at <https://aerobasegroup.com/nsn/6850-01-181-7178>

Physical Form:

Liquid

Application Method:

Brush or hand swabbed or sprayed

Quantity Within Each Unit Package:

55.0 gallons

Biodegradeable Characteristic:

Included

Minimum Biodegradeable Content Percentage:

90.0

Specification Or Standard:

li type

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T089-a
