Aircraft Surface Cleaning Compound - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/6850-01-236-0128

Physical Form:
Liquid
Application Method:
Any acceptable
Quantity Within Each Unit Package:
55.0 gallons
Biodegradeable Characteristic:
Included
Minimum Biodegradeable Content Percentage:
90.0
Specification Or Standard:
li type
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
T089-a
