Physical Form:

Liquid

Application Method:

Any acceptable

Quantity Within Each Unit Package:

15.0 gallons

Biodegradeable Characteristic:

Included

Minimum Biodegradeable Content Percentage:

90.0

Specification Or Standard:

Iv type

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T089-a

Mil-std (military Standard):

Mil-prf-85570 spec.
