## NSN 6850-01-339-5227

Aircraft Surface Cleaning Compound - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/6850-01-339-5227

Physical Form:
Liquid

Application Method:
Any acceptable

Quantity Within Each Unit Package:
5.0 gallons

Biodegradeable Characteristic:
Included

Special Features:
Used for cleaning aerospace equipment (aircraft, engines and aerospace ground equipment)

Specification Or Standard:
Ii type

Shelf Life:
N/a

Unit Of Measure:

Demilitarization:

No Fiig:

T089-a

1009-a
