Active Ingredient:

Silica gel

Moisture Indicator Impregnation:

Not included

Product Name:

Desiccant activated silica gel f/use w/kodak ektachem 700 12s

Special Features:

For use with kodak ektachem 700 clinical chemistry analyzer to maintain humidity of slide supply below 20 pct; 2 sets of 6 per package

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T089-b
