**Active Ingredient:**

Silica gel

**Moisture Indicator Impregnation:**

Not included

**Product Name:**

Desiccant activated silica gel f/use w/kodak ektachem 700 12s

**Special Features:**

For use with kodak ektachem 700 clinical chemistry analyzer to maintain humidity of slide supply below 20 pct; 2 sets of 6 per package

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

T089-b
