Activated Desiccant - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/6850-01-359-5157

Active Ingredient:
Silica gel
Moisture Indicator Impregnation:
Not included
Product Name:
Desiccant activated silica gel f/use w/kodak ektachem 700 12s
Special Features:
For use with kodak ektachem 700 clinical chemistry analyzer to maintain humidity of slide supply below 20 pct; 2 sets of 6 per package
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
Т089-b
