## NSN 6850-01-441-3223

Antifreeze - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/6850-01-441-3223

Physical Form:
Liquid
Quantity Within Each Unit Package:
55.0 gallons
Design Type:
Permanent
Arctic Graded Feature:
Not included
Special Features:
Multi engine type antifreeze; type i; glycol base is ethylene glycol; glycol level concentrated (100%); use in administrative vehicles,
construction vehicles and equipment, military ground combat and tactical/equipment vehicles
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
Т089-b
