Overall Length:

4.750 inches

Overall Width:

4.500 inches

Cover Material:

Plastic, polyethylene

Unit Package Quantity:

48

Unit Package Type:

Package

Features Provided:

Disposable

Special Features:

Koolit (refrigerant) brick; copolymer of virgin low density polyethylene outer plastic bag; rigid open-celled phenolic foam block; tap water; designed to be frozen; single use only

Material:

Plastic polyurethane

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T087-a
