Immediate Container Quantity:

1000

Active Ingredient:

Silica gel

Moisture Indicator Impregnation:

Included

Special Features:

Internal material is activated carbon and silica gel, 50/50 composition; external material is tyvek 1059b spunbonded olefin; packaged in a moisture proof container

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T089-b
