Physical Form:

Liquid

Product Name:

Sifco dalic plating solution cadmium no bake

Level Of Dermal Irritation Potential:

Moderate

Special Features:

Composition: cadmium sulfate 10-20 pct by weight, ethylenediamine 7-13 pct by weight, and water 67-83 pct by weight; hazardous; 4 liter bottle

Supplementary Features:

Product is not an additive solution. Light yellow liquid with ammoniacal odor. Un2810

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T093-c
