Physical Form:

Liquid

Application Method:

Hot dip or sprayed

Biodegradeable Characteristic:

Not included

Special Features:

1low-foaming liquid concentrate for use in immersion or spray wash applications, or degreasing turbine engine exteriors prior to disassembly; safe on steel, aluminum, titanium, magnesium, copper alloys, most paints and plastics; non-flammable

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T089-a
