Basic Ingredient:

Silicone

Quantity Within Each Unit Package:

1.0 gallons

Product Name:

Silicone compound, special purpose dielectric

Special Features:

Clear fluid lubricant to be used to lubricate high voltage cable connectors on cable assembly, p/n 11472159-1 through -7

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T089-a
