Physical Form:

Liquid

Product Name:

Citrisurf 3050, 55 gal

Level Of Dermal Irritation Potential:

Moderate

Special Features:

Should_be_mixed_with_clean_water_at_ratio_of_1_part_citrisurf_3050_to_14_parts_water_by_volume, to fill tank to cover all parts._tank_polypropylene,_316_stainless_steel_or_equivalents. Heat and maintain the solution temp. 120-160'f. Completely immerse parts in solution typically 2-5 min.

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T089-b
