Active Ingredient:

Aluminum oxide

Product Name:

Activated alumina

Level Of Dermal Irritation Potential:

Slight

Special Features:

White speres-no odor, non-soluable. Avoid breathing dust. Dessiccant in air, gas and refrigerant drying. Store in dry place

Supplementary Features:

Off white color. Bagged desiccant. Ph 9.40 to 10.10

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T089-b
