Activated Desiccant - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/6850-01-545-5879

Active Ingredient:
Aluminum oxide
Product Name:
Activated alumina
Level Of Dermal Irritation Potential:
Slight
Special Features:
White speres-no odor, non-soluable. Avoid breathing dust. Dessiccant in air, gas and refrigerant drying. Store in dry place
Supplementary Features:
Off white color. Bagged desiccant. Ph 9.40 to 10.10
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
Т089-b
